

**HOW ABOUT A CARBON TAX? OR, A COOKIE.
NO... A CARBON TAX. AND A COOKIE!**

**THE LANCET CALLS CLIMATE CHANGE THE
"BIGGEST GLOBAL HEALTH THREAT OF THE 21ST CENTURY."**

A child born in 2013 could be facing a world 2.2 to 4.8 degrees °C warmer by the time they retire, with consequent risks of malnutrition, extreme weather, respiratory disease and conflict.

Or not.
